A group of local Bay St. Louis citizens met Monday night for an organizational meeting to begin a clean-up project started by the betterment of all the streets of Bay St. Louis.

Although an official name for the organization has not been decided at this time, various interested persons accepted the responsibility of being chairmen of various projects.

Those assuming duties were: Mrs. C.R. Beyer, vacant; Mrs. Richard Sallinger and Mrs. A.G. Dantaguan, Highway; Mrs. Ben Hill Sr., public buildings; Warren Carver and Mrs. Reuben Grey, membership; Edward Hall, publicity.

Other vacant committees to be filled at a later date are: public buildings, beach, dilapidated buildings, and general officers for the organization.

Street Project May Go to Gulf Paving

James Shadoin United Fund Chairman

Mrs. James D. Ryan, president of the Hancock County United Fund made the appointment of James R. Shadoin to serve as chairman of the United Fund for 1969.

A native of Hopkinsville, Kentucky, Shadoin attended the University of Alabama. Upon completion of studies at the university he was employed in the auditing department of Cuddeback Packing Co., Birmingham, Ala.

He has been affiliated with the U. S. government for 33 years in the postal transportation department, and at the present time is Assistant Postmaster in Bay St. Louis.

Active in both civic and church activities, Shadoin is a former president and member of Bay St. Louis Little Theatre, has served as treasurer and member of the board of directors of Christ Episcopal Day School, and also as secretary of the Episcopal Laymen for the Diocese of Mississippi. Shadoin is a member of Christ Episcopal Church, where he was past senior warden and treasurer, a member of the Bay-Walton Yacht Club and the Pass Christian Golf Club, where he has served on the board of directors and held the office of treasurer.

Apparent low bidders on the City's street paving job at the March 4 bid opening were Gulf Paving, Inc., Gulfport, bidding \$810,180.88 for base bid specifications, and T. L. James and Co., Ruston, La., bidding \$614,729.08 on the alternate.

Award of the contract will not be made until Thursday, however, after further study, analysis and tabulation of the bids by J. G. Richard, Jr., and Associates, Consulting Engineers, who will present their findings and recommendations to the city council.

The alternate bid for Gulf Paving was \$599,582.24, while T.L. James & Co. submitted a base bid of \$639,053.20 for the work.

The two other contractors in the race for the work were W. E. Blain and Sons, Inc., Mt. Olive, Miss., with base bid of

\$597,909.88 and alternate of \$670,175.05; and Stockton Construction Co., Inc., Jackson, Miss., with a base bid of \$725,640.44, and alternate of \$663,796.31.

City engineers had estimated the base bid work at \$805,076.

General requirements for base bids call for an asphalt base construction, varying in thickness from 3 to 4 inches, according to street traffic requirements, and placed on top of a granular subbase of clay, gravel, sand, and existing materials, compacted and primed.

A riding surface of an additional 1-1 1/2 inches of asphalt is to be poured over the base.

Alternate specifications call for a 4-6 inch thick soil cement base which is made up of a mixture of sand and other granular materials mixed with 4-6 percent (by volume) of cement.

A 1-1/2 inch asphalt is applied as a riding surface.

Engineering is such that street qualities are equal for the two construction methods, according to construction experts.

Confident that construction will begin within the next week or so, Mayor John Scalfie said, "This is certainly a very happy occasion, for we have looked forward to this program for getting the community back on its feet for a long time."

Councilmen were also jubilant over the fact that bids were well within engineers' estimates and the money available for the work, the first such occurrence "in many years", according to Mayor Scalfie.

Approval was given at the Council's Monday meeting for the investment of \$700,000.00 of the street bond funds in U. S. Government bills with withdrawal anticipated by engineers at an approximate average rate of about 10 percent per month during construction. Gulf National Bank, present depository for the funds, was designated to handle the investment. Funds not being invested are being held for current expenses, such as engineering fees, legal fees, etc., said Councilmen.

Stock Law Election Set Aside by Court

Stock law opponents emerged victorious Friday from a 10 a.m. hearing in Biloxi before Circuit Judge Leslie B. Grant, within hours of poll openings on Saturday. Judge Grant's order set aside the scheduled

stock law election on whether Hancock County shall come under the provisions of the statewide stock law, a local option question.

Basis for the judicial decision was largely on improper certification of the Hancock County board of supervisors of the persons signing the petition seeking the election and omission of signers' voting precincts.

Election objectors petitioning the court were Randolph Seal, C. H. Martin, Lucie Neacase and Barney Neacase, all

represented by Gulfport attorneys N. L. Cassibry and Bidwell Adam. Joseph Benvenuti was counselor for the board of supervisors at the hearing.

Stating that the board of supervisors had unknowingly erred in delegation of authority to the election commissioners for certification of election seeking petitioners, Board President Russell Elliott stated that the board was in no way opposed to the election and that plans are being made for calling another one in July.

Defense Program Accepted by Board

At the regular meeting of the Hancock County School Board Monday morning Lucien Kidd, Hancock County Civil Defense Director met with the board to discuss plans for a civil defense program within the county school system.

A motion was made by Eric A. Davis and seconded by Horace (Bud) Davis that the board adopt a plan that has been approved by the State Department of Education. Under the plan Eugene A. Davis, superintendent of education will appoint a civil defense director for each school within the county. The board voted unanimously to accept the program as outlined.

According to Kidd this total program comes under a project called - School Disaster Preparedness Program, being coordinated with state universities extension centers, the state civil defense office, and local civil defense authorities.

During the initial stages of the program courses will be

Safety-Main Topic At Supervisors Meeting

At the regular monthly meeting of the Hancock County Board of Supervisors Monday, a resolution was brought before the board, having the signatures of homeowners and taxpayers living in the Gulfview sub-division in Lakeshore. The petition was a request seeking the enforcement of NO HUNTING in the Gulfview sub-division.

The request was made primarily to eliminate the hazard of hunting the lives of persons, but also to the possibility of an accident happening. As stated by the group, warning signs are already in the area, but this has not eliminated the problem as

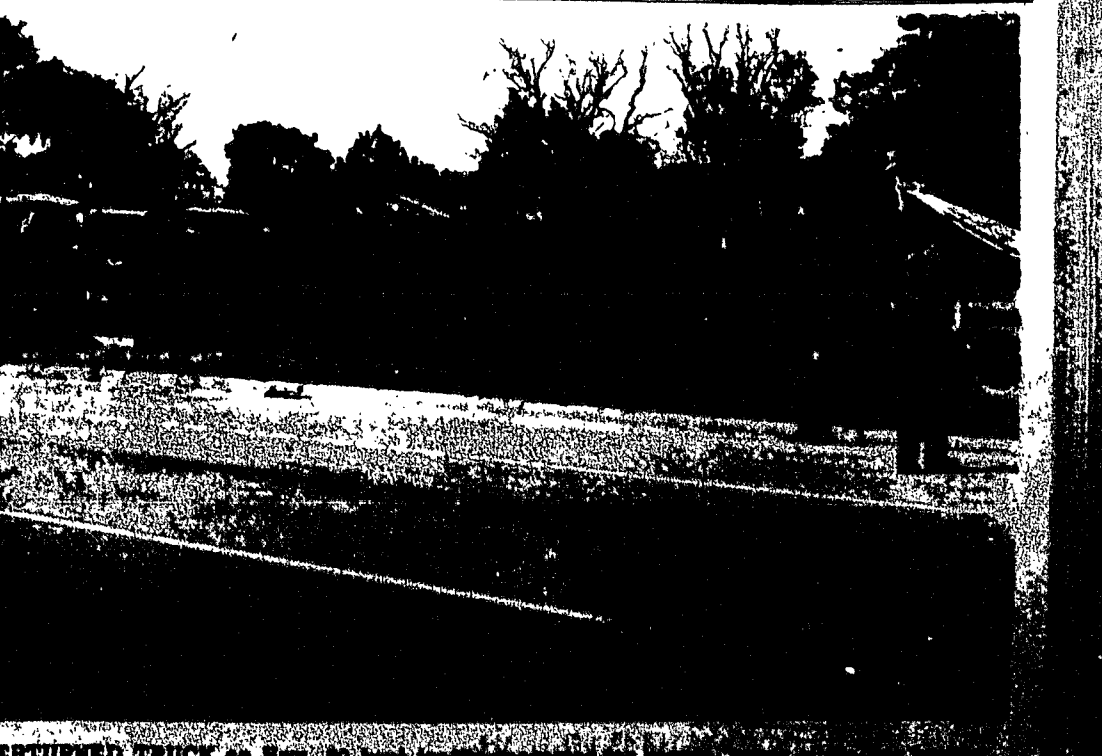

Accident Results at Red Light Failure

A collision at an out-of-commission red light at the Bay bridge kept traffic snarled for some two hours Saturday afternoon.

The accident occurred about 1:40 p.m. when Mrs. Viva C. Smith, Clermont Harbor, crossed Hwy. 90 on Beach Blvd. in the path of a loaded Westhens Bros. furniture trailer-truck coming off the bridge. It was reported that the truck swerved sharply in an attempt to miss the Smith auto, but nevertheless caught the front of the 1964 Plymouth to drag it the distance of about one-half block before overturning.

The accident caused some delay in traffic, but the highway was quickly cleared. The overturned truck was being towed away by a crane.

Mississippi Motorist to Notice Changes in License Procedures

Mississippi motorists will soon begin to notice some difference in their driver license and in the procedure of getting these licenses renewed. In an effort to upgrade the service offered by the Department of Public Safety, several changes have been announced.

Commissioner of Public Safety Giles Crisler indicated that these changes will assist the Highway Patrol in processing the renewal applications received in Patrol headquarters and will also give the law enforcement officers of the state an additional method to watch for drivers who continue to drive after their license have been revoked or suspended.

Director of the Patrol's Driver Control Division, A. R. Richburg, pointed out that the present system of using the IBM cards will continue with certain modifications. The new cards will have a detachable stub that is retained to show that the holder has renewed his license. This stub is good for thirty (30) days after his license has expired.

Miss Ward Weds Thomas Sullivan

Amette Irene Ward, daughter of Mr. and Mrs. Leroy Ward of Bay St. Louis, became the bride of Thomas Sullivan, son of Mr. and Mrs. Jack Sullivan of Savanna, in a double ring ceremony at 1 o'clock Sunday afternoon at Our Lady of the Gulf Catholic Church.

The Rev. John Noone performed the ceremony. Given in marriage by her father, Thomas M. Ward, the bride wore a street length gown of white organza over taffeta

fashioned with lace yoke and sleeves. The dress was accented with a large bow and a train effect of lace down the back. Her head piece was a lace Mantilla and she carried a bouquet of white sweetheart roses centered with a white orchid entwined with a crystal rosary.

Mrs. Carlos Ladner of Bay St. Louis, matron of honor, wore a yellow street length silk organza dress and carried a bouquet of small yellow chrysanthemums and yellow sweetheart roses.

Lawrence N. Oendoff of Savanna was best man. The couple left immediately after the ceremony for Savanna. The bride, a graduate of St. Joseph Academy, is a junior at the University of Southern Mississippi.

The groom who attended the University of Mississippi, is presently employed in Savanna; he will return to college next fall.

LAMAR-LANE SALESMAN HERB BARON GIVES KEYS TO MRS. MARIE LYONS OF WAVELAND FOR HER NEW CAMARO SPORT COUPE.

I have been wanting a new car but wouldn't buy until I talked to Herb Baron because I have known him for 20 years. I shopped other places first but Herb Baron of Lamar-Lane got me the car I'd been thinking of, and I am very satisfied. It's a big relief to know you are dealing with someone you know will look out for your interests.

David Smith Celebrates Birthday

David Wayne Smith celebrated his fourth birthday with a party Saturday afternoon at the home of his parents Mr. and Mrs. John W. Smith.

Mickey Mouse theme was used in the decorations. Games were played and prizes won by Michele Henley and Joey Bonemps.

Celebrating with David were his brother Steve, Lisa and Roy Asher, Darlene Collier, Joey and Fred Bonemps, Michael Smith, Melissa and Michele Henley. Also his grandmothers, Mrs. Richard Boudreaux and Mrs. Harvey Smith, Mesdames P. J. Collier, Leroy Asher, Emile Schindler, Corinne Bonemps, Becky Henley, Donald Smith and Tommy Walker.

JUST THREE WEEKS of reluctant partial retirement from our accustomed duties completely eased any wee tinges of envy we might have felt for those who somewhat disparagingly at times, refer to themselves as "housewives." Admittedly, working and keeping up with routine household chores isn't easy—in fact it's downright impossible to do justice to both, so something has to give! Now, believe it or not, we find ourselves with less spare time on our hands than we had in the past few years.

HERE-TO-FORE a full-time job was a perfect excuse for tv dinners, hastily heated leftovers, diet, unanswered correspondence and a multitude of lesser omissions. Even the joys of sleeping late diminish after a few days of discovering that the more time spent in bed merely leaves fewer hours for accomplishing the never ending jobs that seem to pile up moment by moment. Too, we're now able to attend functions that we've been missing, so we'd better get busy and report upon a few happenings before the ever present haunting spectre of the weekly deadline catches up with us!

THE HEART FUND coffee was a typical example. Held last Wednesday at Johnnie and Bob's historically fascinating beachfront home, the benefit affair attracted a gratifyingly large number of guests who contributed a total of \$182 to the cause. Jill (Mrs. Gerald) Cox was chairman, and she expresses gratitude to those who donated food; to Lorraine Florists for appropriately designed arrangements and to Bert Stiefel, who was responsible for spirits served.

PENNY (MRS. DAVID) TREUTEL, co-chairman of the Heart Fund, greeted guests at the door with the hostess, Johnnie. Bobbie (Mrs. Henry) Maggio, Rosalee (Mrs. Ames) Kergosien and Lynn (Mrs. Bob) Wyatt alternated in pouring coffee and sherry. Some dropping in between the hours of 10 a.m. and 1 p.m. included Virginia (Mrs. Fred) Wagner, Nancy (Mrs. Lucien) Cox, Marion (Mrs. Frank) Hille, Earline (Mrs. Walter) Russo, Faith (Mrs. Doug) Koger, Vickie (Mrs. Andy) Becker, Alice (Mrs. Bill) Pitcairn, Sue (Mrs. W.T.) Hensley, Mary (Mrs. C.R.) Beyer, the latter two winning door prizes contributed by de Montluzin Drugs and The Sea Chest. Jean (Mrs. Gordon) Gleim, Lila (Mrs. George) Greenfield, Irma (Mrs. Horst) Hehmann, Elsie (Mrs. Vic) Levese, Lorraine (Mrs. Phillip) Daniel, Madeline (Mrs. Joe) Calovini, Pat (Mrs. Charles) Dickinson, Myrt (Mrs. Michael) Haas, Ann (Mrs. Dix) Ashman, Matt (Mrs. Horace) Kergosien, Mabel (Mrs. John) Green, Margaret (Mrs. Waldo) Otis, Louie (Mrs. E.N.) Spence, Grace Oppenheim and Ruby Strong. Also Meses, Leo Seal, Sr., James Robert, Roger Crull, Brickell Martin, Dan Campion, F. Naesques, Eva Thompson, H. R. Powell, John Kelly, J. A. Evans, John Dearing, Dymn Mounser, A. W. Fisher, Jr., W. A. Richardson, Norman Goodrich and Roy Dennis. And, Marie (Mrs. Ed) Weidner, Lou (Mrs. Terry) Feeney, Alice (Mrs. John) Scarife, Mary (Mrs. Charles) Breath, Claire (Mrs. Albert) Marx, Dot (Mrs. George) di Benedetto, Catherine (Mrs. R. W.) Riggs, Lucille (Mrs. Claude) Weeks; Meses, Alfred McCaleb, J. H. Duggan, Jr., U.S. Cuevas, C.C. McDonald, Sr., Phil Kergosien, John Newkirk, J. H. Lorenzen and H. F. De Buys.

APRIL 12 is a date we want all of our readers to mark on their calendars. There will be a full evening of fun and games between the hours of 9 p.m. and 1 a.m. Watch for details in up coming columns.

QUITE A COINCIDENCE is the fact that the ill fated sailing vessel which so nearly cost the lives of Leroy Smith and sons Harold and Steven in the February 15 storm, was none other than the Kriebelbutter which was quite an attraction when frequently berthed at Bay-Waveland Yacht Club several years ago. The 22-ton ship was at the time owned by Christy and "Lucky" Lemnox, who sailed over to visit her parents Georgette and Bob Torgersen many times when it was in their possession. The craft, built in Holland some 70 years ago was of solid mahogany and oak construction and considered just about as unsinkable as was the Titanic at the time of its disastrous first and last voyage. However, the Kriebelbutter had been sold several times since sailed by Christy and Lucky, so could have been weakened by a number of natural hazards in the interim.

THE FAUCETTA family enjoyed an impromptu reunion with relatives they'd never met last Thursday night. Mr. and Mrs. Steve De Lisse, native New Yorkers, were aware that they had relatives in Mississippi and located "Cousin Frances" Faucetta by checking the Bay St. Louis phone directory. The group enjoyed quite a celebration with their "long lost" kin.

CHERYL AND TEDDO Thomas, Jr. celebrated their first wedding anniversary at a very private candlelight dinner on February 21st. They made a special point of not inviting either Rosie and Teddo, Sr. or Cheryl's parents, the Agnel Morans!

OUR BEA - Bea (Mrs. George) Georgi has done it again. Her latest claim to fame is a two column picture in Time Magazine, shot as she "interviewed" state witness Perry Russo following a long day at the Clay Shaw trial.

NELL AND BOB Dahlstrom are preparing to move into their permanent Bay St. Louis home on de Montluzin Avenue. ALSO PACKING are Joyce and Jake Jacob. They will move into the house formerly occupied by Irma Levens just as soon as she takes possession of her new Sunset Boulevard residence.

PAT AND DAVID Garcia are expecting their fourth visit from the storm within the next few weeks. RAY GARWOOD is apparently recuperating from his third major operation in less than one year. He was spotted in the vast audience at the Nereide parade last month.

BETTY COBURN entertained at a double birthday dinner in honor of her bridegroom Joe, who cut his cherry decorated cake on Saturday Feb. 24, and also for her father J.P. Green, whose birthday was on Tuesday, Feb. 18. Guests include her mother Ruby; Myrtle and Bill Olson and daughters Kim and Linda Perdue, and Johnny Harville.

MARY ELIZABETH and Ed Hall have moved to their new abode in Louisville Garden Apartments.

JANE BENVENUTTI was a recent flu sufferer but had sufficiently recovered to "make the usual blocks" with Kate and Bill.

brand new golden hued automobile.

BELATED GET WELL greetings go to Marcella Bradley and Fannie Marquer. Both have been much under the weather in recent weeks.

WE'RE TOLD that the bar-becued venison served members of the Sportsmen's League at the Jerry Boos' Clermont Harbor summer home a couple of weeks ago was a true gourmet's delight.

HERBERT WISE is another due hope you're feeling better wishes. He's a patient at Och-sner in the Crescent City.

WE REGRET to report that Edwin Pendergraft, who made his home in Waveland for the past few years, passed away at Veterans Hospital in Biloxi last week.

VICKIE CHEVIS is looking especially lovely these days. Perhaps her handsome, most attentive escort is responsible for her glowing appearance.

SEA CHEST inhabitants Margaret Hadden, Shirley Whitlow and Laurie Whitlow are comfortably settled in their new location. The building, which boasts an appropriately nautical appearance, was designed by Jay Lacoste who with his attractive wife and son, now live in Oxford.

DR. JOHNNY LEVENS was most impressed with decor in one of the newer hotels in Atlanta at which he stayed while attending a medical convention in the Georgia capital last week.

MAINTAINING a sense of humor when under treatment for flu isn't easy, but Neilyn Nichols decorated her bedroom in brilliant red and greeted husband Nick with a large sign reading Welcome to Hongkong! (Cont. on Page 4-B.)

PICTURED ABOVE MR. JAMES H. ELLIS OF ORLANDO, FLA., TAKING DELIVERY OF HIS NEW EL CAMINO FROM SALESMAN JOE PALAZZO OF LAMAR-LANE CHEVROLET AT BAY ST. LOUIS, MISS.

I shopped in Florida, Alabama, Louisiana and Mississippi and bought my new car from Lamar-Lane Chevrolet and salesman Joe Palazzo because they had just the car I wanted and at the price I was willing to pay. My friend from Mobile, Ala. was right in referring me to Lamar-Lane Chevrolet for the best deal.

Mrs. Dinwiddie will use Landscape Design as the subject of her discussion.

Mrs. Gordon J. Gleim, hostess, will be assisted by Mesdames Reuben F. Gray, Walter C. Hava, H. J. Hicks, O. Duke, Hilaire D. Ogden Jr., R. W. Riggs, Richard J. Sallinger, J. E. Casanova and J. Hugh Miller.

when he returned home during her recent illness.

CHARLIE CARTER, JR., is just about the most uncomfortable young man we've seen in many a day. He managed to get a sliver of steel imbedded in his right eye and was still in agony from the injury several days after the splinter had been removed.

A HAPPY BIRTHDAY wish goes to Jean (Mrs. Bob) Stewart who will be 29 again on Sunday, Mar. 9.

DEE (MRS. ED) RYAN says she'll be so happy when she is allowed to discard her crutches that she'll break the other leg!

ALTHOUGH SOMEWHAT disappointed over the outcome of the Shaw trial, Bea Georgi stayed in the courtroom to the bitter end. As always, in her spare time she had a number of her now famous headlines printed to wit: Judge Haggerty Fair to State and Defense in Shaw Trial; Barney Kilbride and Friendly Deputies Firm but Friendly; Judge Haggerty's Housewives Agree with Shaw Verdict; Bea Georgi Agrees with Judge Haggerty in Shaw Verdict and Jim Garrison Greatest D. A. Win or Lose. Garrison saved a copy of the latter to give to his son as a keepsake. Needless to say, all were printed before the jury returned with the not guilty decision.

JOHN GLOVER, who now lives in Pascagoula, visited friends in the Bay recently.

ANOTHER EAGERLY awaited new arrival put in his appearance at Gulfport Memorial Hospital on Tuesday, Feb. 25. Master Robert Glen Rose, Jr. weighed in at a hefty eight pounds, four and one-half ounces. His mama is the former Angela Smith, Betty and Arthur's daughter. Betty and Fred Rose are the beaming paternal grandparents.

ELLEN (MRS. CHUCK) Breath's brand new son was the object of admiration of everyone on Coleman Avenue Friday afternoon. Ellen's slender figure makes it hard to believe that she's really a mama. We'd hoped to see Elaine (Mrs. Joe) Colson making like a grandmother, but Louise Lynch who is probably the biggest baby in the county, had taken over and was carrying him all over the place. As his proud papa gets the Echo and hasn't seen his son in person as yet, we'll inform him that he's a very handsome infant and despite the fact he has lots of hair, will definitely never be mistaken for a girl.

W. C. FRIERSON has returned home after undergoing a series of tests in Hancock General Hospital.

ANIMAL NOTES - Maybe the moon just isn't right, or something, but our abundance of free kittens has dwindled to the point where Marie and Hap Carter received only one call when they were searching for a feline. Carmea and Toby Piazza presented them with the little animal.

SUE AND NORMAN Sonier recently acquired a very good looking new automobile.

SIGHTS AND SOUNDS A- LONG THE WAY - Purple pink red bud petals popping out on formerly bare, brown branches; a dedicated scarlet clad gardener ignoring blustery March winds as she knelt to plant tiny seedlings in a freshly turned flower bed; perverse little blades of grass growing boldly through a thick layer of asphalt while a nearby lawn remains adorned only by weeds; and the spring-like sound of solid hit to left field as baseball replaces other sports on playgrounds all over town.

IN USM CAMPAIGN - Dale Russell, left, Bay St. Louis coed at the University of Southern Mississippi, presents plaque to Bob Douglas of Newton, right, Sigma Alpha Epsilon pledge class president, for that organization's efforts in March of Dimes campaign. Looking on, center, is Bill Wilkens, SAE pledge class vice president. Miss Russell was campus chairman for the event.

the launching ramp at the end of the seawall down Cedar Point way. This ramp was used by a lot of fishermen who fish up Jordan River and Bayou La Croix. It could be a job for some organization such as the Bay-Waveland Gun and Rod Club, etc.

This is just a civic-minded thought.

St. Stanislaus Sideline Club is sponsoring a seafood dinner on Friday, March 21, 1969 at Saint Stanislaus Cafeteria. Attend and help a good cause.

Lee Bourgeois is an old-timer at fishing, shrimping and oystering. He uses a cast net, tongs and trawl. Won't starve that way, Lee.

Another swell place to fish from is La France's Camp on Campbell's Bayou down at Ansley. The camp has boats for rent, a hoisting ramp and bait. Mabel and Pas La France are there to serve you. There is usually good fresh and salt water fishing in this section of the county.

Luke Elliott was down from Baton Rouge over the weekend. He enjoyed fishing and golf with his Dad and friends.

Larry Larroux was a picture for sore eyes at the supper last week. Better get the old tackle box out and do a little fishing, Buddy.

Can't name 'em all but met Alden Mauffray, Gerald Kennedy, August Rauxet, Jerome Carver, Larry Larroux, Jack Ladner, Lucien Kidd, Harry Roman, Louis Decell, Norman Benigno, Harold Krankey, Bill Watts, Donald Caldwell, all local hunters and fishermen. No wonder with these on the loose the fish had a hard time.

Oysters are at their best right now. Tongs is in order and boats galore are seen out front each day. Local sportsmen catch their own oysters for home consumption. It's work and fun, too.

Noted a few soft shell crab sheds the other night. Won't be long now before we'll be getting 'em.

Ray Garner has been catching a few green trout down at the quail hole if you know where that is?

Heard a tape recording from Major Howard Duff who is over seas. He said he will catch up on his fishing when he gets home.

Was with regret we heard of the death of August Vassalli last week. August was one of our best sports.

He fished, hunted, played softball and baseball.

SEVEN DECADES OF PROGRESS

1969

This year Hancock Bank begins

its 70th year on the Mississippi Gulf Coast.

A lot of history has been made

during these exciting and sometimes chaotic Seven Decades. It is

gratifying to us that during these years your Bank has continued

to progress despite economic depressions, social upheavals, wars

and hurricanes. And it is you - the good people of the Mississippi

Gulf Coast - who have made this possible.

So it is only fitting that this year,

as every year, the Hancock Bank pledges its continued devotion to

progressive banking principles and sound practices.

They sent all the way to Boston for that special piece of glass. Look closely, and you may see it in the east front window. From inside you can read the inscription: "In Memoriam . . ." and then his name.

Grandpa called himself "a retired handy-man." But in those days lumber was cheap and labor wasn't. So when they said "we can't afford to build a church," Grandpa disagreed.

"Get me the boards and a few strong fellows to set the beams. I'll build your church," said Grandpa!

Before he finished, there were fifty men and lots of dollars to help him. You can see why they sent all the way to Boston for a piece of glass.

Grandpa is gone. Yet the Christian who is eager to put his faith into action is still able to share God's blessings with hundreds of his neighbors . . . and posterity as well!
